H4G Update - Explore Exciting Games from Around the World

Hello, Heritage4Growth community! We're thrilled to bring you the latest updates on the captivating games created for the Heritage4Growth project. Each of these innovative experiences offers a unique perspective on historical and cultural heritage, providing an immersive journey for all who participate. Let's dive into the world of these games and get inspired!

DEX Innovation Centre – Liberec Journey

Main Idea & Historical Era: DEX's game takes you through the tumultuous World War II period and partly into the post-war era, with a blend of historical facts and fantasy elements. You'll uncover the fate of the main character, influenced by events that impacted many Czechs, offering a unique historical exploration.

Artifactory – "GRAND MASTER CHALLENGE: The Game"

Main Idea & Historical Era: Artifactory's game immerses you in the era of the Knights Hospitallers of the Knights of St. John in Rhodes. It represents the Hospitaller Order State's governance of Rhodes, structured by national groups or "Tongues." This game allows you to understand their history, mission, and the struggles they faced against the Ottoman Empire. It also carries an ancestry dimension for visitors searching for their roots in this historical setting.

ACTA – Oradea Art Nouveau Tour

Main Idea & Historical Era: ACTA's game is a window into the early 20th century, showcasing the Oradean palaces' architectural characteristics and lesser-known histories. This exploration unveils the socio-economic dynamics of the city, as well as how multi-ethnic and multi-confessional communities contributed to creating a unified and delightful urban space.

Italian Hospitality School SRL – Rome's Time Traveler Quest

Main Idea & Historical Era: Italian Hospitality School SRL invites you to explore the cultural heritage of Rome and Italy, offering insights into the philosophy of Giordano Bruno and the 16th century. This game delves into the rich history of this period, allowing you to step into the shoes of a time traveler, navigating the corridors of history in the eternal city, Rome.

NEU – Journey with Rumi

Main Idea & Historical Era: NEU's game takes you on a spiritual journey, introducing you to the teachings and wisdom of Rumi, the 13th-century Persian poet, scholar, and Sufi mystic. The game represents the historical era of Rumi, focusing on his life and teachings during the 13th century. It offers a unique blend of gaming and spirituality, inspiring personal growth and enlightenment.

These games represent a fascinating array of cultural exploration, historical immersion, and personal growth.

We hope you find inspiration and excitement in these Games. Stay tuned for more updates. Thank you for your continued support and interest in the Heritage4Growth project.
